

# Route description

---

## By car

Ghent has a well thought-out circulation plan, which means you can not drive straight through the center anymore, but you first have to follow a bit of the inner ring. From the motorway you first follow '**Gent Centrum**' via the B401 and you take '**Exit 1 Ledeborg**'. **Under the viaduct, turn left** and follow the inner ring R40 towards Eeklo. After about 3 to 4 km you **turn right at the Nieuwe Wandeling** (landmark is the car park of the Carrefour - it is best to **first put your GPS on the 'Nieuwe Wandeling'**, and only later to Rabotstraat, so you have the right access road). At the end of this street, you drive straight across the water of the Coupure until the traffic lights. There you **turn right (Brugsepoortstraat)**, thereafter **the second street left (Peperstraat)**. At the end of the Peperstraat you see the tram tracks and you drive straight ahead: you first drive over the Sint-Elisabethplein and then immediately arrive at the Rabotstraat. Do not drive too fast: our house is number 40 on the right (large brown gate). Just past our house you take the **side street to the right, the Simon de Mirabellostraat**. At house number 37 you see a gray gate with our name plate 'Atlas B&B'. Overthere you can park the car for a bit and ring our bell at Rabotstraat 40. Good luck!

## By public transport

When arriving by train at the main station Gent-Sint-Pieters, take **Tram 1** (left when leaving the station, at the bus stops) in the **direction of the city center**. After +/- 15-20 minutes you get off at the **stop 'Rabotstraat'** (the stops are announced in the tram) at about 20 meters from our house. It is the 2nd stop past the medieval castle 'Gravensteen' in the heart of the city. You can buy a ticket at the ticket offices in the station or at the 'De Lijn' shop at the bus stops.
